Part 2: What am I putting up with?

INSTRUCTIONS: We tend to get dragged down and overwhelmed by things that accumulate over time - and end up cluttering our minds. Now is the time to identify what you're putting up with! **What's getting in the way of your spiritual growth?**

Make a list of what you're putting up with at work - and at home - to determine what might be weighing heavy in your spirit, cluttering your mind and slowing you down spiritually!

Examples could be: Frustrations, problems, other people's or your own behavior, clutter, unmet needs, crossed boundaries, unresolved issues or guilt, being indecisive, procrastinating, avoiding church, not studying God's Word etc...

Over time and as you think of more items, add them to your list.
